

Expense Claim Manager

Expense automation...On-Demand Put control in, take cost out

Want to take a fresh approach to expense management?
You can with Expense Claim Manager (ECM) from Deecal.

Reduce your processing costs and increase control over travel-related expenses.
ECM provides a comprehensive expense automation solution that manages all
expenses - card transactions, out-of-pocket, cash and mileage.

It's all on-line too, so you have the flexibility of expense management
where you want, when you want it!

For more information on Expense Claim Manager and our D.Cal product suite visit www.deecal.com.
